Thou who savest, save us all and take us across. Uplifting and giving the excellence. You gave us the touch of the lotus feet of the Guru, and all our jobs are done. You have become merciful, kind, and compassionate; and so our mind does not forget Thee. In the company of the holy beings you take us from misfortune and calamities, scandals, and disrepute. Godless, slandorous enemies -you finish them in timelessness. That great Lord is my anchor. Nanak, keep Him firm in your mind. By meditating and repeating his Name, all happiness comes and all sorrows and pain go away.
